Vernon Barnes Memorial Trophy at Broughton Heath GC

Bacon butties & coffee will be served from 9:30 and there will be sandwiches & chips after the game, all for £45 per pair including Green fees. We have a good field so if we have clement weather it should be a first class competition.

Our daughter Club is once more holding its Charter at The Pavilion, and this year the entertainment is a Frank Sinatra tribute singer, Steve Phillips. A good crowd of members and partners will accompany President Bryan & Kath to the event.

Friday 4th to Sunday 6th October

As usual a goodly number of members and partners will accompany President Bryan and Kath to the Conference. The accommodation is the same hotel as last year, at the top of the funicular. It promises to be great fun and fellowship for all participants.
