CC—Club Council

\*Thought for the day

**Note:** An invitation has been extended to the Lord Mayor to be our guest and speak at one of our meetings in November. To date we have no confirmation which date he will attend. The programme as listed above is therefore subject to change.

### **Crocus planting update:**

Arrangements are now in place to plant crocuses at the Poppleton Junior Football Ground, Millfield Lane on **Wednesday 24th October**. Thanks to those who have offered to help on the day. Other members are welcome to attend between 3.30pm—5.00pm. Refreshments will be served. **This is a purple themed party, so wear something purple if you can!**

In addition we are planning to plant at Acomb Primary School and areas in Huntington near the Wilberforce Trust offices.

Thanks also to Martin Simpson who is arranging planting at the Primary School in Green Hammerton.
