

## District Governor's Attendance at the King's Croft Meeting.

On Wednesday evening the 5<sup>th</sup>. September 2018, the Rotary District Governor of District 1040, Nigel Arthurs PHF and Assistant Governor Mark Lovett PHF dined with Rotarians representing seven of the clubs in this area at the King's Croft Hotel, the venue used by the Rotary Club of Pontefract, hosting the event.

Rotary District 1040 has 103 clubs and it is impracticable for the Governor to visit them all individually during his year in office, hence this meeting hosted by the Rotary Club of Pontefract with Rotarians from Normanton, Barnsley, Osgoldcross & Elmet, Doncaster, Stainborough and Thorne attending.

The Master of Ceremonies, Michael Scorgie PHF, President of the Rotary Club of Pontefract, welcomed everyone and after an enjoyable meal with the customary toasts, we were addressed by the District Governor Nigel Arthurs PHF who eloquently outlined the desired tasks and aims set by Rotary International when he visited America. The vote of thanks was made on behalf of all attending by our Immediate Past President, Derek Searby CBE TD.

There was naturally a raffle for the many items which had been donated by various clubs and donors, which raised a substantial sum of money for the RIBI Indian Floods Appeal.
