

Basingstoke Rotary

Formed in 1927 the Rotary Club of Basingstoke has been a catalyst for many initiatives in and around the Basingstoke area. Over the years we have raised considerable funds for local as well as international good causes and provided practical support and assistance to many local events and activities.

We meet regularly to plan and discuss causes we wish to support, to listen to a varied programme of speakers and to socialise, enjoying the company of like minded people. In addition we have a programme of fun type activities including outings and social events. Our members, men and women, are from diverse backgrounds who use their skills, knowledge and expertise to support those needing a helping hand. Through our Business Partner Scheme we interact with local companies who, as part of their wish to engage in local community work (CSR), support our endeavours.

Become a Friend of Rotary

Make a difference

Would you like to support your local community by becoming a 'Friend of Rotary'?

Would you like to make a real difference in your community?
Are you too busy with family or work to attend regular meetings?
Do you enjoy meeting and working with other people?
Then perhaps becoming a 'Friend of Rotary' is the answer.

Members of the public, who have a passion and interest in helping others, can become 'Friends of Rotary' and, by sharing in the work of Basingstoke Rotary, can support their local community.

'Friends' will be kept informed of the club activities, via email, and will be invited to various events, both volunteer events and social events to meet others and make new friends.

Subscription is £12 a year pro rata and will be renewable annually on 1st July. There is no minimum attendance requirement at club meetings, but we would hope that the Friend will attend at least one club meeting or social event per six months. Additionally Friends are encouraged to support our fundraising or service activities. Meals and costs of social activities will be paid at the same rate as members.

A Friend is not a member of Rotary and is not entitled to the rights or subject to the responsibilities of membership. Rather, a Friend has a formal association with the club, which provides an avenue to participate in club activities and to help the community.
