Dear Robin

2014 Flooding Event

As you are well aware Somerset has recently experienced a significant flooding event. Dealing with this has been a major task, both during response and also in the recovery stage.

As a District we spend a lot of time planning for major incidents and organisations such as yourselves are a large part of our plans.

In this incident the planning has well and truly paid off, your organisation has been invaluable in supporting us to help residents and businesses within our district. My purpose of writing is to thank you, on behalf of the affected residents and my colleagues, for your support during this incident.

I look forward to working with you in the future.

Yours sincerely

Councillor Duncan McGinty
Leader of Council
